

Giovanni Onorato aka John Doing

Biography

John Doing (Gianni Onorato) was born in Torre del Greco, Italy, in 1938. After his schooling for two years he attended the Ecole Nouvelle Chailly in Lausanne then to London for another two years. For work he began to travel to Japan, Far East, Oceania, America... bringing with him watercolors and filling sheets of sketches, notes, impressions and reflections. The plane became his office, workshop: he has deepened the knowledge of Japanese culture. For fifty years the country of the Rising Sun has been his second home. Since 2006 he has intensified work on digital collages printed on various media, digital animation and video. His video are an integral part of the exhibitions held in the last years. Among his works there are Raku sculptures. Lives and works in Lugano.
